

## **CLEANING AND THE PAINTING OF THE BRICK REVEAL**

**Our walls have a section that is covered with brick reveals and after a period become very dirty. This area can be very difficult to clean. One way is to spray the bricks with an environmentally friendly bleach and then clean with water and a brush. This area can also be Pressure washed to cleaning the dirt, mildew accumulated in the bricks. After this is completed, painting this area can be very easy. I suggest securing quart of BPW red brick paint from Ace Hardware and apply this paint using a 4" foam roller.**
